Welcome Back!

I want to welcome everyone back to the Newman Center for the Spring Semester! Whether you are new to campus or returning, know that the Newman Center exists to be a spiritual home away from home for you. Here you will find a welcoming and inclusive community. It is our hope that you discover in this space, a place to experience community, friendship and most importantly, a place to encounter God. You are in our prayers now and will continue to be throughout the semester. Let us know if there is anything we can do to support you. Thank you for being such a wonderful part of our community. Have a wonderful and blessed semester. Peace, Mike

FAITH DIRECT™

What is the best way to ensure our community receives the support needed to help stabilize our community's finances and take care of operating expenses and ministries?

eGiving through Faith Direct!

Christina Faraone

"I support the Newman Center because the community made me feel like family and everyone always welcomed the students. There were always fun events and free food which is a great perk especially for college students!

Before I came to Oswego the Parish Priest from home told me "remember wherever you are, you are always at home in the church" Incredible advice that has always stuck with me and now that I live in Texas I go to Mass at the Rice University Newman Center Chapel."

WISH LIST ...

Poly-wood Picnic Table

With the many community picnics and events sponsored by Newman Club, Newman House and our Peer Ministry Leadership Team, we look towards replacing what we had with a 72-90" long Poly-Wood Picnic table with attached benches.

The *Mission of the Hall Newman Center* is to nurture spiritual development of individuals on the SUNY Oswego campus and in the Oswego community. We commit ourselves to be a resource for information, education and advocacy on behalf of the Catholic Church and its teachings. Our welcoming and vibrant atmosphere promotes a sense of Christian Community and we commit ourselves to be available to and to represent the students of SUNY Oswego, the larger college and area communities.
